NOTES TO THE CONDENSED INTERIM FINANCIAL STATEMENTS (UN-AUDITED)
FOR THE PERIOD ENDED MARCH 31, 2020

1 LEGAL STATUS AND NATURE OF BUSINESS

1.1 The company is limited by shares, incorporated in Pakistan on April 13, 1987 under the Companies Ordinance, 1984 (Repealed with the enactment of the companies Act, 2017) and the shares of the company are listed on Pakistan Stock Exchange Limited. The principal business of the company is manufacture and sale of yarn. The geographical location and address of the company's business units including plant as follows.

Registered office	109-A, Street No.3, Cavalry Ground, Lahore Cantt, Lahore
Manufacturing Plant	38.KM, Sheikhpura Road, Tehsil Jarranwala, District, Faisalabad

1.2 Significant transactions and events affecting the Company's financial position and performance

The Company had closed its operation since June 16, 2016 and reported accumulated losses of Rupees 471.022 million (June 30, 2020; Rupees 448.011 million). The current liabilities exceeded its current assets by Rupees 774.222 million (June 30, 2020; Rupees 765.999 million) as of balance sheet date. These conditions along with adverse key financial ratios and company's court cases with the banking companies on its inability to comply with covenants of loan agreements and to pay long term financing liabilities against assets subject to finance lease, short term borrowings and related finance costs on due dates indicate the existence of a material uncertainty which may cast significant doubt about the company's ability to continue as a going concern and therefore, that it may be unable to realize its assets and discharge its liabilities in the normal course of business.

These financial statements, however, have been prepared under the going concern assumptions as the management after settling trade creditors is seeking amicable settlement of cases with the banking companies and at the same time in search of local or international investors to enter into joint venture arrangement to invest in the plant and machinery in order to compete with the international market players. Moreover, in order to meet the day to day expenses, the company has leased out the factory premises.
